

HP 2509p

25-inch Premium LCD Monitor

See more and do more with a super-sized unit

Introducing an expansive Full HD¹ monitor with productivity components that can help you stay comfortable as you get connected.

Big is beautiful

The expansive 25-inch diagonal 16:9 widescreen display on the HP 2509p is sure to make a lasting impression, but there is more to this monitor than a plus-sized screen. See more and do more on one unit with innovative components such as:

- **Full HD¹ resolutions** that provide stunning image clarity at a native resolution of 1920 x 1080p, bringing life to almost any image
- **HP BrightView Technology** and a **60,000:1 DCR²** increase image contrast for breathtaking views of work or play
- A super-fast **3ms GTG response time² with HP Overdrive** keeps fast moving object in focus
- **An integrated microphone, 2MP webcam³** with tilt adjustability, and **activity light** all work together to make videoconferencing fuss-free
- **Internal speakers** deliver excellent sound quality while keeping valuable desk space clutter-free
- An **ENERGY STAR[®] qualification** means the product meets strict energy efficiency guidelines set by the US Environmental Protection Agency

Add **HP Virtual Rooms Software³** (sold separately) to meet and collaborate face-to-face with team members, business partners, and customers in one convenient online location, anytime.

Designed to impress

In addition to the innovative components of the HP 2509p, it also has design features that not only look good in the workspace but can help you work more efficiently.

These elements include:

- **Height, tilt, and swivel** provide customizable adjustability so users can stay comfortable and productive throughout the day
- **Partial pivot** provides easy access to connectors for quick setup
- **Illuminated touch-activated buttons** put the monitor controls right at your fingertips and enhance the navigation experience
- A **piano black bezel** is masterfully designed to blend seamlessly with your display as it complements your HP PC
- The satin gloss monitor base doubles as a convenient **keyboard parking slot**
- **HDMI, DVI-D and VGA inputs** provide a wide range of advanced connectivity options
- **Built-in USB hubs** put flash stick data close at hand (2 on the side and 1 on the back)
- A **cable management clip** keeps unruly lines in place
- **VESA compatibility** corresponds with standard mounts (sold separately) to provide a wide range of stand options while freeing up valuable desk space
