

V7 4PORT HIGH SPEED MINI USB 2.0 HUB

The V7 4Port High Speed Mini USB 2.0 Hub provides four downstream USB ports that are USB 2.0 compliant and offers easy Plug-and-Play connectivity to your USB 1.1 and USB 2.0 devices. It provides a high-speed data transfer rate to let you easily connect up to four devices to your computer such as digital cameras, digital camcorders, portable MP3 players as well as peripherals such as scanners, internal hard drives and more. Its small, sleek and functional design avoids cable clutter and makes the hub easy to carry and convenient to store.
