Flash SURVIVOR

Durable

Water Resistant

Anti-Shock

Corsair's Ultra Rugged Flash Drive

Flash Survivor is an extremely durable, water resistant, drop-tested flash USB memory drive. By design it is perfect for transporting valuable data such as personal files, photos and applications without having to worry about damage or loss of data due to the elements.

Features:

- Encased in extremely strong CNC-milled, anodized aircraft-grade aluminum.
- Water resistant to 200M through the use of a EPDM waterproof seal.
- Protected from vibration or impact damage through the use of a molded shock dampening collar.
- Plug-&-Play with any USB 2.0 certified peripheral computer port backward compatible with USB 1.1).
- USB extension cable and Dog Tags included.
- Protected by a 10 year Limited Warranty.
