

* Product Overview

The Adesso® AKB-120EB 3-Color Illuminated Compact Multimedia keyboard is the perfect keyboard for users who work in the evening, love hotkeys, and are efficient. This keyboard features backlit keys in 3 soft-lit colors (blue, green, red) which can be switched with one keystroke--it is easy on the eyes and perfect for dark environments. Also, the easy-to-read large-print 2X keys are an excellent alternative to traditional keyboards. Hot keys also provide quick access to media player controls, Email, Internet browser, and other common applications. The Adesso® AKB-120EB is also designed with membrane key switches that provide a quieter, faster response and stands up to long-term usage.

* 3 color Illuminated Backlit Keyboard

The 3-color Illuminated Backlit keyboard lets you choose your backlit color to green, blue, or red in one keystroke! The gently-lit keys allow you to work day and night without straining your eyes. No more mistyping! You can work from dusk till dawn at your desk or bedroom without disturbing others!

* 2X Size: Large Print Keys

The large 2X print on the keys provide excellent contrast and is a great alternative to traditional small-lettered keyboard.

* Multimedia Controls and Internet Controls

Control your media or internet with one touch using the built-in hotkeys for easy access to your favorite video/music playlist or to browse the internet.

* Quiet Membrane Key Switches

Membrane key switches provide a better tactile response and a quieter typing experience. Plus they last up to five million keystrokes.
