

23" widescreen ToC™ LCD monitor

Touch of Color™
dynamic contrast 50,000:1
ultra-fast response time
customized key

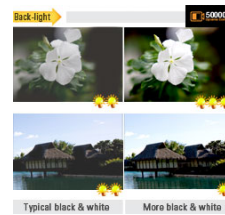

The Samsung P2350-1 ToC™ widescreen LCD monitor gives you a premium monitor at an accessible price. With a cabinet featuring a stunning roseblack gradation reminiscent of a fading sunset, the P2350-1 brings style and sophistication to your office. The thin, graceful neck adds elegance and touch-sensitive OSD control buttons add another touch of refinement. 50,000:1 dynamic contrast ratio gives you tremendous detail, while 2 ms (G to G) response time gives you razor-sharp motion graphics. And the P2350-1 does it in 1920 x 1080 Full HD resolution. The Samsung 23" P2350-1 Touch of Color LCD monitor.

Touch of Color™

The P2350-1 Touch of Color monitor features a rose-black gradation that's reminiscent of a setting sun and the slim and tapered neck adds another level of refinement.

dynamic contrast 50,000:1

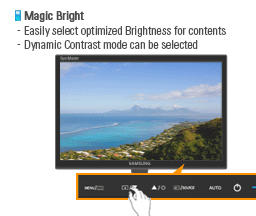

Deeper dark tones and brighter light tones are achieved by the 50,000:1 dynamic contrast ratio, creating lifelike images with precision and clarity. Images are displayed with an intensity that enhances both enjoyment and emotional engagement with movies, games and pictures.

ultra-fast response time

Blazing 2 ms (G to G) response time delivers sharp motion without blur.

customized key

Function preset by user's preferences with 4 options to select from (MagicBright, MagicColor, Color Effect, Image Size).

Eco-friendly

ToC process eliminates use of VOCs and low power consumption technology reduces energy use and energy bills.

Rated EPEAT Silver

EPEAT registered products contain reduced levels of cadmium, lead, and mercury to better protect human health and the environment. EPEAT registered Samsung monitors are more energy efficient, which saves money and reduces greenhouse gas emission by providing a design that is easy to disassemble and upgrade. EPEAT Silver monitor meets all 23 required criteria plus 50 percent of 28 optional criteria.
