

L2000CP-BF

20" Class (20.0" Diagonal) LCD Monitor
f-ENGINE™ | Commercial | High Resolution

A technology developed by LG Electronics, f-ENGINE™ is a picture enhancing chip with the ability to actually enhance brightness and color independently of each other, resulting in truer to life images. f-ENGINE™ is an integrated digital high-quality picture system fueled by LG Electronics' Digital Adaptive Fine Image (DAFI) technology, that separates the relationship between brightness and color so that each can be adjusted without negatively affecting the other. LG Electronics makes it possible to improve the color or brightness of an image, for genuine viewing pleasure.

The LG L2000CP-BF 20" Class (20.0" Diagonal) LCD Monitor is the choice for graphics-intensive applications. Specifications include an 800:1 CONTRAST RATIO, 8ms GTG RESPONSE, and 1600 × 1200 RESOLUTION. The DVI Input and f-ENGINE improves image quality while INTELLIGENT AUTO (RESOLUTION) automatically sets your computer's resolution to the monitor's recommended resolution. Enhanced productivity makes the L2000CP-BF ideal for professional solutions.

- 1600 × 1200 High-Resolution
- 800 : 1 High-Contrast Ratio
- 178° | 178° Viewing Angle
- 8ms GTG Response Time
- Tilt, Swivel, Height and Pivot Adjustable
- VESA™ Compliant Wall Mount (100mm × 100mm)
