- **Narrow Bezel Design**

Ideal for commercial use (narrow bezel design enables monitors to be tiled making them ideal for trading floors, banks, airports, and design centers, etc.)

- **LightView Function**

At any time during the day or night, the LightView function allows users to freely adjust brightness and colour temperature according to their computing situation while utilizing photo, text and/or movie programs.

- **Certified TCO-03**

With more strict regulations than that of TCO-99, TCO-03 certification guarantees the customer an excellent ergonomic and visual environment.

## 17" Standard Series LCD Monitor

### ENJOY CLEAR & CRISP IMAGES

With the Standard Series, users can enjoy all the benefits of LG's advanced LCD screen technology. This not only eliminates glare, image distortion and screen flicker, but also allows clear, convenient and comfortable viewing without causing tiredness.
