

15" Touch Screen Monitor V15DX Series

GVision's V15DX is a 15" touch screen display designed specifically for use in rugged and harsh point-of-sale (POS) environments. The V15DX has an adjustable base that can be tilted from 0 to 80° and features smart cable management ensuring your unsightly cables and connectors are hidden from your customers. It is the ideal solution for demanding applications that requires a stable monitor and resilient touchscreen.

Features:

- Sleek and stylish design
- Resistive Touch Technology
- Smart Cable Management
- Detachable Stand / Supports VESA mounting
- Spill & Dust Resistant
- Supports Customer Display & MSR
