

## HP w15v 15-inch Widescreen LCD Monitor

Enjoy widescreen viewing in an affordable 15-inch diagonal LCD monitor

Now you can enjoy the same widescreen comfort of your notebook when you're working at the office. The HP w15v 15-inch Widescreen LCD Monitor offers essential performance features in an elegant 15-inch diagonal wide-aspect screen designed for users who prefer widescreen viewing, wherever they work.

### Essential features

The selection of features includes:

- Crisp, clear, views of graphics and text from the 400:1 contrast ratio, fast 8 ms response time, and resolutions up to 1280 x 720\*
- Comfortable positioning from adjustable tilt settings
- Maximum desk space from the ultra-small footprint
- Customized display settings from a range of icon-based on-screen display (OSD) controls

### Flexible user comfort

The VESA mount configuration on the back of the monitor enables wall or swing arm mounting once it is removed from the stand.

### Assured compatibility

The HP w15v monitor offers out-of-the-box compatibility with HP notebooks, business PCs, thin clients, and workstations. Plus, when you buy the monitor with an HP PC, you get end-to-end product serviceability and support from HP with just one phone call.

### Environmentally responsible

This monitor meets stringent worldwide environmental regulatory standards, including ENERGY STAR®, CE Mark, and UL.

### HP service and support

The HP w15v monitor is just one more product that comes with the HP-standard peace of mind. The three-year limited warranty is backed by HP service and support.
