

# HP Elite L2201x

## 21.5-inch LED Backlit LCD Monitor

*Adding contemporary design to your work environment*

Introducing an elegant, micro-thin business monitor from HP - for a picture perfect view in any environment.

### Get a new perspective of your business monitor

The micro-thin HP Elite L2201x, 21.5-inch LED Backlit LCD Monitor may change your view of business monitors. With a wafer thin display head that is a mere 10mm wide, this is HP's slimmest, business monitor to date. And with a total monitor weight of less than 4 kg that folds flat, it also enables hassle-free portability.

The smart design of the easel stand and external power supply free up limited desk space in smaller office cubicles and retail stores, while adding a sleek and ultra-modern conversation piece to your setting. In addition, the wide 16:9 screen enables productivity and multitasking by expanding the viewable real estate to make more applications accessible at once.

### The perfect complement to your mobile workspace

Are you a notebook user trying to manage multiple applications on a single screen? Are you always on the go, but want to quickly reconnect to your monitor when you return to your desk? If so, the HP Elite L2201x is the perfect complement to your mobile lifestyle with a single DisplayPort connector that lets you instantly plug in to productivity.

There are no screws to fasten and no extra cables to connect, making this monitor the perfect complement to your "grab and go" day.

### Engineered for the demanding user

This monitor is sure to impress the most tech-savvy user with features that include:

- **MVA panel** technology with ultra-wide viewing angles enables users to share clear views at many angles.
- A **DisplayPort direct drive** provides advanced digital connectivity and simplifies multi-display connections.
- An **LED backlit panel** eliminates the use of mercury and provides solid state reliability.
- A **Full HD<sup>1</sup>** resolution brings life to any view.
- A **72% color gamut** and a **5000:1 static contrast ratio** enable pure black and extreme detail for more accurate color representation<sup>2</sup>.
- An **ENERGY STAR<sup>®</sup>** rating means your investment has met required energy efficiency and environmental performance criteria.
- An **adjustable tilt stand** lets you change positions throughout the day, helping you stay comfortable.
