

STREET Series

The new **STREET** series from Sennheiser features three styles that deliver thundering drums, soaring cymbals and screaming guitars with ease. Pick your fit and push play.

Features

Pick your fit!

CX 200

- Covert, in-ear speakers sound massive despite their small size
- Built-in "grips" allow precision in-ear placement
- Noise isolating design eliminates noise competition by blocking out noise pollution
- Dynamic drivers guarantee impressive bass performance and product durability
- Included ear adapters guarantee a custom, comfortable fit
- 2 Year warranty

MX 65

- Twist-To-Fit locks the earbud comfortably in place for consistent sound and fit
- Sennheiser's Basswind™ system produces clear, deep, rich bass in a small footprint
- Built-in volume slider keeps you in control at all times
- Compatible with nearly every audio device featuring a 1/8" connector
- Included ear adapters guarantee a comfortable, secure fit
- Included carrying bag eliminates tangles and travels discretely
- 2 Year warranty

OMX 60

- Soft-textured ear-clip keeps the speaker locked comfortably in place
- Sennheiser's Basswind™ system produces clear, deep, rich bass
- Built-in volume slider keeps you in control at all times
- Compatible with nearly every audio device featuring a 1/8" connector
- Included carrying bag eliminates tangles and travels discretely
- 2 Year warranty

STREET Series Specifications

Pick your fit!

The new **STREET** series from Sennheiser features three styles that deliver thundering drums, soaring cymbals and screaming guitars with ease. Pick your fit and push play.
