

imagine compact size, expanding possibilities, and brilliant color

Samsung Colour Laser Multi-Function Printer CLX-2160/2160N

Whatever your line of work, it's never been easier to get brilliant results every time.

The Samsung CLX-2160/2160N combines professional quality with desktop convenience, making it easy to add vibrant colour to everything you do. From full-colour prints to speedy copies and scans, the CLX-2160/2160N multi-tasks almost as much as you do. No other laser printer does so much in so little space.

BRILLIANT COLOUR PERFORMANCE

Print, scan and copy in laser-precise colour. The CLX-2160/2160N delivers brilliant results with professional quality, laser speed and remarkably quiet operation for a desktop printer of such small dimensions. With amazing ease, all your documents will shine and your work will look its best.

Laser-precise colour printing

Bring stunning, high-quality colour to everything you print, with a maximum resolution of up to 2,400 x 600 dpi and an output speed of up to 4 ppm in colour (16 ppm in mono).

AMAZINGLY EASY TO USE

Easy-to-use every step of the way. From simple set-up and operation to innovative features like mini circular toner cart-ridges and one-click ID copy button, the CLX-2160/2160N is made to lighten your load.

Samsung one-click ID copy button

Copy and print both sides of any ID or business card to a single piece of paper – with one touch. Only Samsung technology gives you this convenience.

ALL THE RIGHT CONNECTIONS

Every connection you need and some you never expected. In addition to USB 2.0 and ethernet network connections, the CLX-2160/2160N offers direct printing and scanning capabilities that don't even require a PC.

USB direct print

Print directly from USB memory without connecting to a PC, thanks to USB direct functionality.

Fast, full-colour copying

Copy your documents in brilliant colour without ever leaving your desk, with speeds of up to 4 ppm in colour and a resolution of up to 1,200 x 1,200 dpi in photo mode.

High-resolution colour scanning

Scan documents in sharp, full-colour with a resolution of up to 4800 x 4800 dpi – all without the clutter and cost of a separate peripheral.

Mini circular toner cartridges

Change toner quickly with specially-designed, easy-to-replace cartridges – just open the cover, pop out the old toner and pop in the new ones.

Simple, intuitive interface

Select the right features fast and stay clearly informed every step of the way – big, bright buttons and an easy-to-read display make every job simple.

USB direct scan

Scan and save documents directly to USB memory without connecting to a PC, thanks to USB direct functionality.

USB 2.0 and ethernet network

Connect to desktop computers and peripherals with USB 2.0 or to office ethernet networks with the CLX-2160N.
