CLP-770ND

Color Laser Network/Duplex Printer

Features

Shared Connectivity

Network connectivity means everyone in the workgroup can output full-color, professional-looking documents.

Fast Printing

At 33 ppm, there's no waiting to get color output. Print multiple sets of high-quality color presentations.

One of the Lowest TCOs in its Class

The CLP-770ND sets the pace for low cost and reliable productivity. Built-in duplexing, 120,000-page monthly duty cycle and 7,000-page toner yield all add up to greater efficiency.

Optional Hard Drive

Adding the 80GB hard drive allows faster spooling and printing of your jobs.

High Capacity

The CLP-770ND offers a standard 500-sheet cassette with a 100-sheet bypass tray. Optional trays increase capacity to 1,600 sheets total.

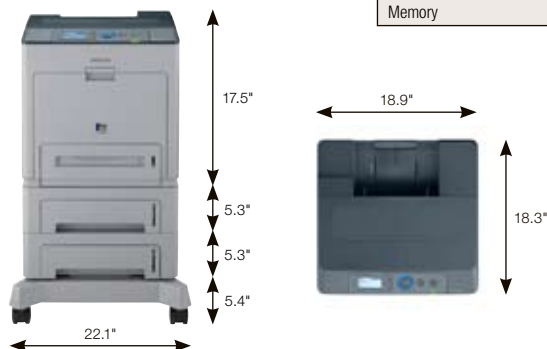

User Authentication

The Samsung secure encryption solution delivers end to end protection. This is a unique authentication solution that increases the security of highly-sensitive projects by utilizing a smart card and universal driver.

Confidential information protection

The confidential print feature allows multiple layers of password protection to guard against the circulation of highly-sensitive materials. Data is safe with features like secure printing and delayed printing.
