

HP Compaq nx6110 Business Notebook PC

HP recommends Microsoft® Windows® XP Professional

The HP Compaq nx6110 Business Notebook PC offers a balance of mobility, affordability and all day battery life (with optional travel battery), enabling cost-conscious mobile professionals to connect and be productive on the go. The thin, light weight design, generous memory and hard drive capacity and fixed optical drive make the nx6110 ideal for the mainstream mobile user.

Latest technology

The HP nx6110 combines a large 15-inch display with the latest Intel® Celeron® M or Intel® Pentium® M processor and Intel® Centrino® mobile technology for wireless connectivity and improved battery performance.

Thin and light

The sleek and stylish HP nx6110 is designed for mobility. Weighing only 2.7 kg and just 30.3 mm thin, the HP nx6110 is easy to carry and use – wherever life takes you.

All day mobility

The HP nx6110 comes with a primary battery providing up to 4.5 hours of battery life which can be doubled with the uniquely designed travel battery (optional) for all day mobile power.

Quality construction

High quality construction with scratch-resistant in-mould lamination creates a robust and durable notebook built for rigorous mobile environments.

HP reliability

The HP Mobile Data Protection System protects the hard drive from shock and vibration, reducing the risk of data corruption. HP Local Recovery Solution by Altiris enables quick recovery of data.

Thin and light state-of-the-art notebook providing exceptional battery life at a stunning price

HP Compaq nx6110 Business Notebook PC
