

HP 625 Notebook PC

Essential Mobility

The 39,6 cm (15.6") diagonal, value-priced notebook PC that keeps you productive and connected on the go.

Windows®. Life without Walls™. HP recommends Windows 7.

Durable, stylish and affordable

The HP 625 Notebook PC is a tool for success. This notebook features a stylish understated microfiber pattern design in a stone gray color for a clean professional look. Powered by the latest AMD processors, the HP 625 Notebook PC helps you get the job done. With an energy-efficient 39,6 cm (15.6") diagonal LED-backlit display, 2 MP webcam and integrated Wi-Fi ², the HP 625 is your link to the world.

Get working, right out of the box

Corel Home Office productivity software is included ³, so you can begin using your notebook for word processing, spreadsheets or presentation projects with software similar to the office suites you've used before.

Multimedia features included

AMD VISION Pro Technology with ATI Mobility Radeon HD Graphics let you experience life in high-definition ⁴, while the HDMI port allows you to connect directly to high-definition displays ⁵.

Stay connected

With Wi-Fi CERTIFIED™ WLAN ² you can send and receive e-mails or access the Internet at your favorite hotspots. You can do videoconferencing with the webcam and microphone along with your wireless connection, with no additional hardware to buy or carry. And with HP Fast Charge ⁶, you can recharge your primary battery up to 90% in 90 minutes when your notebook is off.

Protection and convenience

Your data is important. HP DriveGuard helps protect it by reducing physical shocks to your hard drive. A spill-resistant keyboard helps protect key components from minor spills that can occur while computing on the go. When it comes time to dispose the notebook HP Disk Sanitizer ⁷ allows you to completely wipe the drive.

HP Support Assistant makes it easier than ever to manage your notebook. This simple pre-installed software helps you maintain your PC performance and resolve problems with automated tune-ups, onboard diagnostics, and guided assistance.

THE
COMPUTER
IS PERSONAL
AGAIN.
