

▶ **10.1" NETBOOK FEATURING INSTANT ON TECHNOLOGY AND UP TO 11 HOURS* OF BATTERY LIFE**

The Eee PC 1011CX features the latest technologies along with a new textured

Instant Productivity

finish. Users can maximize their productivity with the netbook's up to 11 hours of battery life* and 3rd generation Intel Atom processing power and spend less time waiting with Instant On technology. 1011CX-MU10 does not come with a preinstalled operating system to offer organizations more flexibility. Sharing files is easy with HDMI, Wi-Fi Direct™, and DLNA and abundant storage is offered with complimentary 3GB Internet storage.

ASUS | Eee PC 1011CX Netbook

Eee PC 1011CX Netbook

A 3rd generation Intel® Atom™ processor offers 2x better graphics performance and improved processing performance while reducing power consumption by up to 20%. The lower power consumption supports up to 11 hours* of battery life and a fanless design for quiet computing.

With Wi-Fi Direct, users can wirelessly transfer files between the netbook and other compatible devices directly without having to go through a network. With DLNA, users can effortlessly stream content wirelessly between compatible devices connected to the same network, without having to store the content on both devices.

ASUS Super Hybrid Engine II with Instant On enables 2-second resume of the netbook from sleep with up to 2 weeks **of standby time. If the battery level falls below 5%, important data is automatically backed up to the hard drive to prevent data loss.

1011CX-MU10 ships without a preinstalled operating system, allowing users to save on licensing fees and granting them the flexibility to install an alternative operating system best suited to their needs.

Users can share full HD 1080p content in the classroom or in the boardroom by projecting content from their PC onto a compatible external display via the HDMI port.

Complimentary additional 3GB WebStorage is a cloud storage service that allows users to backup data, sync files between devices and share data with colleagues.
