

# HP EliteBook 750 G2 Notebook PC

The HP EliteBook 750 thin and light notebook allows users to be ultra-productive around the office. Work with confidence, stay connected, and enjoy a range of security and manageability features designed for your growing business.

HP recommends Windows.

- Windows 8.1<sup>1</sup>
- Screen Size: 15.6" diagonal

## Effortless manageability and security

- Enjoy simple integration into your IT environment with HP Touchpoint Manager,<sup>2</sup> HP Client Management Solutions,<sup>3</sup> and the security features of HP BIOSphere<sup>4</sup> with Sure Start and HP Client Security.<sup>3</sup>

## Portable performance

- Get the latest technology with Windows 8.1,<sup>1</sup> and powerful Future 5th Gen Intel® Core™ processors<sup>5</sup> that provide long battery life.

## Equipped for productivity

- Leave dongles behind with a drop-jaw Ethernet port, VGA port, and DisplayPort for key connections to all your devices. Stay connected with HP Connection Manager,<sup>6</sup> HP Wireless Hotspot,<sup>7</sup> and optional Qualcomm® Gobi™ 4G LTE.<sup>8</sup>

## Sleek, durable design

- Never fear bumps and minor spills. The thin, light, and stylish HP EliteBook 750 endures HP's Total Test Process and is designed to undergo MIL-STD 810G testing.<sup>10</sup>

## Featuring

- Manage data, security, and devices from a single cloud-based solution with HP Touchpoint Manager.<sup>2</sup>
- Enjoy the intuitive control of Windows 8.1<sup>1</sup> and impressive clarity of the optional FHD touchscreen<sup>11</sup> featuring tough Corning® Gorilla® Glass 3.
- The latest storage options ensure optimum performance from your HP EliteBook. Choose from a range of HDD and SSD options as well as flash cache and a mini-card SSD.
- HP BIOSphere keeps mission-critical data and systems protected with customizable security.<sup>4</sup>
- Whether working from a coffee shop or in the office, HP Sure Start Technology will protect your PC and data from malicious intended and unintended attacks.
- Stay productive throughout the day with the optional HP UltraSlim docking station.<sup>11</sup>
- Rest assured, with 24/7 phone support.<sup>12</sup>
- HP 3D DriveGuard<sup>3</sup> helps protect critical information while you're on the move.
- Simplify technical support with Helpdesk by HP Care Services. Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices and operating systems.<sup>13</sup>

## HP EliteBook 750 G2 Notebook PC

### Accessories and services (not included)

---

#### HP 2013 UltraSlim Docking Station

Quickly and easily expand your display, network, and device connectivity to customize an always-ready workspace with the HP 2013 UltraSlim Docking Station, a simple one-click, slide-in side dock for select ultraslim HP EliteBook Notebook PCs.

**Product number: D9Y32AA**

---

#### HP Docking Station Cable Lock

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

**Product number: AU656AA**

---

#### HP Display and Notebook II Stand

Quickly and easily create a comfortable workspace for your notebook or notebook and docking station and an external display with the HP Display and Notebook II Stand, which brings your notebook PC, docking station, and display up off the desk.

**Product number: E8G00AA**

---

#### HP Ultra Mobile Wireless Mouse

Low-profile, long-life, and designed for comfort.

Here's the long-life wireless mouse that's so compact you can toss it in your carrying case without bulking out its profile, so power-smart it keeps up with your work day, and so comfortable you'll look for reasons to use it.

**Product number: H6F25AA**

---

#### HP Slim Ultrabook Professional Top Load Case

The HP Slim Ultrabook Top Load—a stylish, durable, and compact carrying case built for your Ultrabook™. A black twill fabric accented with gray plaid combines form and function to help protect your hardware and give you a polished appearance.

**Product number: F3W15AA**

---

#### HP External USB DVD/RW Drive

Connect the HP External USB DVD/RW to any available USB port on your PC to get immediate read/write access to your optical media.

**Product number: F2B56AA**

---

## Messaging Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.
- <sup>2</sup> HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Some features require a subscription. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information. Touchpoint Manager requires purchase of a subscription.
- <sup>3</sup> Requires Microsoft Windows Operating System.
- <sup>4</sup> HP BIOSphere features may vary depending on the PC platform & configuration.
- <sup>5</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- <sup>6</sup> HP Connection Manager available on Windows 7 only.
- <sup>7</sup> The wireless hotspot application requires an active internet connection and separately purchased data plan. While HP Wireless Hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.
- <sup>8</sup> Built-in Qualcomm® Gobi® modules available in select HP products and require wireless data service contract, network support, and is not available in all areas. Contact service provider to determine the coverage area and availability. 4G LTE not available in all regions. Connection speeds will vary due to location, environment, network conditions, and other factors.
- <sup>10</sup> MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions.
- <sup>11</sup> Sold separately or as an optional feature.
- <sup>12</sup> Elite support only available in the US and Canada in English.
- <sup>13</sup> HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## Technical Specifications Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.
- <sup>2</sup> This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- <sup>4</sup> Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- <sup>5</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB (for Windows 8) is reserved for system recovery software.
- <sup>6</sup> 802.11 wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
- <sup>7</sup> 4G LTE module is optional and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- <sup>8</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>
- <sup>9</sup> NFC is an optional feature.
- <sup>10</sup> HD content required to view HD images.
- <sup>11</sup> Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information. Some Touchpoint Manager features require purchase of a subscription.
- <sup>12</sup> HP 3D Drive Guard requires Windows.
- <sup>13</sup> The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.
- <sup>15</sup> HP PageLift requires Windows 7 or higher.
- <sup>16</sup> HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting))
- <sup>17</sup> External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
