

PORTABLE POWERHOUSE.

15.6" NOTEBOOK

The stylish and light VIZIO Notebook with Windows 8 delivers remarkable power in a beautifully portable profile. With premium HD display and audio, a long-lasting battery and the entirely reimagined Windows 8 with Microsoft® Signature, the VIZIO Notebook is an on-the-go powerhouse. Work or play, its unique combination of performance and aesthetics will keep you on the edge of your seat.

INSPIRED DESIGN AUTHENTIC MATERIAL

The aluminum unibody allows for an amazingly thin design that is as beautiful as it is strong. Every detail matters, from the beveled edges to the seamless soft-touch underside that gives you a secure grip.

STUNNING FULL HD DISPLAY

With Full HD (1920 x 1080) resolution, you'll never miss a single detail. Every VIZIO 15.6" Notebook uses premium IPS screen technology for brighter image, brilliant color and wider viewing angles.

POWERFUL PORTABILITY

The VIZIO Notebook is powered by the 3rd generation Intel® Core™ processor family for maximum speed and performance. With the latest high-speed ports for connecting to the Web, the VIZIO Notebook keeps things on the move when you are on the go.

		Weight	5.28 lbs

VIZIO recommends Windows 8.

* Due to pre-installed software, media content, etc., the HDD capacity on VIZIO computers may appear to be smaller than the size stated in the product specifications, documentation or on the packaging. The storage capacity of the HDD is as advertised but the actual formatted capacity may vary. **Used to cache OS and frequently used files for speed boost. SSD does not add to storage capacity. ***Battery life ratings are for comparison purposes only, and do not indicate the battery life that will be obtained by any individual user. Battery life will vary depending on the product model, configuration, features, applications and power management settings. Wireless functionality will also impact battery life. Published battery life times are the results of testing performed on select models and configurations at the time of publication. Over time and as is normal, the battery will not perform at its maximum capacity and may need to be replaced. Replace the battery only with approved parts. Battery life is based on MobileMark 2007 testing. For additional details, see MobileMark 2007 battery testing at: www.bapco.com/products/mobilemark2007.
