## Productivity

- Q Pair – link your tablet and Android smartphone so call, message, memo, and other notifications can be used between both; when paired, conveniently locate misplaced devices with the press of a button
- QSlide Function – overlay up to two windows with adjustable sizing and transparency on the primary screen
- Dual Window – use two apps simultaneously on a split screen
- QuickMemo+ – write or draw on any screen and schedule memos to appear at certain times using calendar inputs or when the user reaches predetermined locations via GPS
- KnockON – wake the tablet by tapping gently on the screen twice<sup>1</sup>
- Knock Code™ – create a 3-8 point tapping pattern for superior security and direct access to the home screen
- Multilanguage Support for Tablet and Keyboard Input
- Adjustable Home Touch Button Combination
- Adjustable Keyboard Height and Layout – customize the keyboard to control it more easily
- ThinkFree Viewer – PC-like office suite app for viewing and editing documents, presentations, and spreadsheets
- Google Chrome™ and Native Android Browser – full mobile web browsers
- Smart Cleaning – free up space by deleting temporary files and removing infrequently used apps

\* Tap an empty area of the screen to put the tablet to sleep.

## Interactivity

- Spacious 10.1" IPS Display
- QuickRemote™ – control compatible TVs and cable provider set-top boxes
- Smart Screen – display setting keeps the screen active when tablet detects eye movement
- Video Player with Touch Lock and Resume Play Function; supports MP4, WMV, and DivX® formats
- Customizable Video Player Settings – screen ratio, subtitles, and video auto off; set audio effects to normal or pure surround
- Music Player with Shuffle, Repeat, and Custom Audio Effects; supports MP3, AAC, AAC+, eAAC+, MIDI, WAV, WMA, and Ogg formats
- Music Library – organized by song, album, artist, and genre; or view music by favorites, playlists, folders, and nearby devices
- Media Device (MTP) – transfer files or synchronize with Windows® Media Player\*
- Quiet Mode – specify times to turn off all sounds except alarm and media
- Multi-User Function – personalize the experience for different users

\* USB cable required (included).

## Camera/Video

- 5 Megapixel Rear-Facing Camera with 4x Digital Zoom
- 1.3 Megapixel Front-Facing Camera
- Camera Resolutions: up to 2560 x 1920<sup>1</sup>

- Cheese Shutter – use voice commands to capture a photo
- Customizable Timer – set to 3 or 10 seconds
- Gesture Shutter<sup>2</sup> – take selfies with a simple hand gesture
- Video Resolutions: HD up to 1280 x 720
- Pause & Resume Recording – pause and start in record mode for one continuous video file
- Live Shot – take still shots while recording video
- Video Screenshot – capture still shots during video playback
- Live Zooming – zoom in/out on videos during playback
- Edit Recorded Movies with Video Trim
- Geotagging – location information with photos and videos

<sup>1</sup> Available only on rear-facing camera.

<sup>2</sup> Available only on front-facing camera.
