

The S Pen Holder Kit adapts your S Pen into a traditional ink pen size, giving you more comfort when using your S Pen for long periods of time, and more control. It's the closest thing to a pen-on-paper experience.

HELPFUL HINTS

While pressing the S Pen button:

- Drag the S Pen to the left to return to the previous screen
- Drag the S Pen down to open a list of options available on the current screen
- Tap and hold the screen to capture a shot
- Double-tap the screen to launch a quick note function
