

TSB175US | Targus 16" Military Laptop Backpack

The Targus 16" Military Laptop is designed to fit up to 16" laptops. The large capacity backpack features a laptop compartment with scratch-resistant lining to keep the laptop protected from bumps and scratches. The Military backpack features a second large compartment to store books, binders, documents and more. This section also features two convenient pouches to hold smaller accessory items. The large front pocket includes a scratch-resistant mobile phone compartment, pen loops and a key clip. The two large self-closing side pockets provide easy-access storage for additional items. Two adjustable straps on the exterior of the case allow you to secure a variety of items for travel such as a jacket or sweater. The heavily padded back panel and contoured shoulder straps provide a comfortable, ergonomic fit. For added color the backpack features artistic yellow accent stitching and zipper pulls that resemble shoe laces for a distinctive style.
