

Product Specification Sheet

Targus 15.4" Corporate Traveler

Part #: CUCT02A

Product Description:

The Targus Corporate Traveler toploading case is designed to fit notebooks with up to 15.4" screens. This case includes the patented SafePort® Air Cushion System which features adjustable cushions inside of the case to protect your notebook from drop damage while providing a snug fit for smaller sized notebooks. The Corporate Traveler also features a removable notebook sleeve which allows for easy transport between meetings and provides additional protection inside of the case. To keep you organized on the road, this case features a zip-down workstation with business card holder, three pen loops, key clip, multiple accessory compartments, five scratch resistant CD/DVD sleeves and an expandable file section to keep your documents organized during travel. For added comfort, the case includes a padded ergonomic shoulder strap with a non-slip coating on the pad to keep the pad in place on your shoulder. Constructed of durable ballistic nylon, this case is built to withstand the wear and tear of everyday business travel.
