Micro Drivers

Down-firing
midrange driver

Compact Design! Awesome Performance!

When it comes to awesome performance in a compact design, few speaker systems compare to the VS4121. You've got to hear it to believe it. The tweeters sing with crisp, clear highs, while a unique, down-firing midrange driver in each satellite uniformly disperses sound around the room – creating a warmer, more natural ambiance. The long-throw woofer brings out the thumps and bumps that make listening to music, watching movies and playing games truly intense. This versatile and compact system fits anywhere – and sounds great everywhere.

VS•4121

2 Speakers + 1 Subwoofer

Serious Power – Experience what great performance is all about!

Deep Bass Subwoofer – Feel shakes and quakes from the front-firing, long-throw subwoofer housed in a solid-wood cabinet.

Crisp High End – Specially engineered Micro drivers reproduce highs with thrilling clarity.

Exceptional Sound Dispersion – Our unique, down-firing midrange driver fills the room with rich, accurate sound – you'll enjoy clean mids anywhere in the room.

Revolutionary, Low-Profile Design – Looks great and fits virtually anywhere.

Built-in Controls – Include power on/off, master volume, plus bass and treble.

Headphone Jack – For private listening.

Color-coded Cables – Ensures you'll be up and running in seconds.

Shielded Satellites – For use near video monitors.
