TECHNOLOGY & BENEFITS

VIDEO

FST Black® Picture Tube - High contrast picture tube provides a bright, sharp viewing experience.

Black Level Expander - improves contrast which results in a sharper, more 3 dimensional picture

AUDIO

Front Firing Speaker System - Provides clear, unobstructed sound quality

Surround Sound - Allows the consumer to enjoy an enhanced home theater experience without the connection of external speakers.

CONVENIENCE

Sleep Timer - Allows the viewer to set the television to shut off automatically after a preset amount of time.

Closed Captioning on Mute - This feature automatically displays captioned information (if available) when the mute button is pressed.
