

## KEY FEATURES

- Digital Comb Filter
- Advanced Velocity Scan Modulation
- 16:9 Mode with Vertical Compression
- Black Level Expander

- Double Baffle Speaker System
- BBE® and Surround Sound

- 4-Item Glow Universal Remote with DVD Control
- Off/Sleep Timer
- ColorStream® Component Video Inputs
- Front A/V Inputs

## ADVANTAGE TOSHIBA

- >> Advanced Velocity Scan Modulation improves contrast and overall picture sharpness.
- >> Black Level Expander improves contrast and makes the picture appear sharper and more three-dimensional.
- >> StableSound® eliminates annoying volume changes of extremely loud commercial messages or drastic volume fluctuations experienced while changing channels
- >> Double Baffle Speaker Design improves stereo sound reproduction without connecting additional speakers.
- >> Front Panel A/V Inputs provide maximum versatility and convenience for the consumer who wishes to easily connect video games or a camcorder.

## TECHNOLOGY & BENEFITS

### VIDEO

**Advanced Velocity Scan Modulation** improves contrast and overall picture sharpness by varying the speed of the electron beam scanning the CRT to improve dark to light transitions.

**Black Level Expander** increases the black threshold level, so blacks are pure black, not dark gray. This significantly improves overall picture contrast to make the picture appear sharper and more three-dimensional.

### AUDIO

**StableSound®** maintains television volume within a pre-set range regardless of the source signal. StableSound® eliminates the annoying volume changes of extremely loud commercial messages or drastic volume fluctuations experienced while changing channels.

**Double Baffle Speaker Design** are side mounted, front firing speakers designed to deliver the most stereo sound reproduction available from a television's internal speaker system. No additional speakers are required.

## SPECIFICATIONS

VIDEO		FST PURE®
CRT Type	Screen Size	32"
Advance Velocity Scan Modulation	x	
Digital Comb Filter	x	
Color Temperature Control (Warm/Medium/Cool)	x	
Black Level Expander	x	
16:9 Mode with Vertical Compression	x	
MTS Stereo SAP with dbx®	x	
Surround Sound	x	
Double Baffle Speaker System	x
