Sansa® Clip+ MP3 Player

Highlights

- Holds up to 2,000 songs† with 8GB* of built-in memory
- Memory card slot for pre-loaded cards**
- Digital FM tuner with 40 presets
- Rechargeable battery lasts up to 15 hours††
- Built-in clip for easy carrying

There's so much more to love when you play with a Sansa® Clip+ MP3 player—for big sound and lots of features in a tiny package. Listen to up to 2,000 songs† on your 8GB* player with amazing sound quality, FM radio, long-life battery, voice recorder and a memory card slot, too. And expand your fun indefinitely with slotRadio™ or slotMusic™ cards** preloaded with tunes ready to pop into the player's memory card slot.

Just clip it on and go with a plus-load of great stuff for an incredible 15 hours†† of battery-fueled fun. With an expandable memory card slot ideal for preloaded microSD™ cards, you'll be ready to play music in seconds. More hits, more podcasts and more audio books—with no waiting for downloads, no transfers and no PC required.

See what you're listening to with the bright, easy-to-read screen and intuitively searchable menus sorted by title, artist or album. Color your world in red, blue or sleek black undertones.

Easy Entertainment!

With the built-in memory card slot, simply pop in a microSD™/microSDHC™ card** to expand the storage space for your library —music, audio books, podcasts—and you're good to go.

Or enjoy your favorite tunes with slotMusic™ cards**. They're preloaded with music from your favorite artists—no downloading needed. Now that's easy entertainment!

1000 songs. Zero downloads. Listen to 1,000 premium, full-length songs instantly with nothing to download, copy or manage. Simply insert a slotRadio card** and enjoy handcrafted playlists to fit your style, mood or activities. Visit slotRadio.com for more information.

Much like radio, these songs are played in sequence and cannot be rewound or rearranged, yet in slotRadio™, individual songs can be skipped as often as you want. Song and playlist files cannot be copied or viewed (for example on a PC).
