OVERVIEW

Hang onto something: This LG CM9940 shelf system cranks out a thunderous 3200 watts through our dynamic X-Metal speakers plus two mighty subwoofers, virtually guaranteeing that your next party will be unforgettable. Connect to different sources easily with Bluetooth, NFC, dual USB ports and more. And with the DJ Pro feature, the music never has to stop!

HIGHLIGHTS

DJ PRO

Be your own DJ at home! Mix music using sound effects such as Flanger, Phaser, Chorus and Delay, while creating fresh beats with Backspin, Crossfade and Beatbox, or use scratch and voice sampling. Enjoy your music and entertain you friends in a whole new way.

BLUETOOTH®

Wirelessly stream music directly from your smartphone or other compatible device for a seamless listening experience.

DUAL USB

Two USB inputs allow you to connect multiple USB-enabled devices at the same time, for greater convenience. You can also transfer files from one USB drive to another, and record from different inputs including CD, AUX and FM radio.
