- Easy installation and automatic channel search

For ultimate convenience

- Enjoy up to 3 hours playback with a built-in battery*
- Car adaptor and slim remote control
- Headphone jack for personal enjoyment
- Detachable antenna design lets you connect to other antennas

PHILIPS

sense and simplicity

Highlights

3 hours built-in battery*

This Philips player comes with a compact built-in rechargeable battery for long-lasting power. Up to 3 hours of continuous movie, photo and music playback enjoyment can be achieved on a single charge. Just plug in the power cable to recharge the player - it's that simple.

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD, and CD – all of them can play on the DVD player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common

recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

180-degree swivel screen

The screen swivels 180° to give you the optimum viewing angle for watching movies and photos. Rotate the screen or adjust it up and down to cut down on glare and get the best viewing angle possible.

7" high density LCD display

The high resolution (800 x 480 pixel) color LCD display brings images to life, showing off your treasured photos, favorite movies and music

with the same 'real life' rich detail and vibrant colors as high quality prints.

Detachable antenna design

The antenna on the Philips portable TV is completely detachable, allowing you to easily connect the TV up to an alternate (e.g., indoor or rooftop) antenna as needed. By doing so, you can be sure of reaching the best TV signal available wherever you are.

Free-to-air digital TV

Expand your entertainment experience and enjoy digital channel programs - for free. With digital TV broadcasting, you can receive free digital TV programs in your country. The signal is kept digital without any analog steps in between, to preserve the highest quality.

Specifications
