AN ELEGANT, COMPACT AND ENERGY-EFFICIENT PC FOR A SMALL-BUDGET BUSINESS

THE LENOVO® THINKCENTRE® A70z ALL-IN-ONE PC

The new Lenovo ThinkCentre A70z All-in-One PC consolidates a traditional desktop with a monitor in one single, sleek unit offering sophisticated simplicity, ideal for small and medium businesses (SMBs). This commercial all-in-one green desktop is free of cable clutter and occupies minimum space while delivering the ThinkCentre's renowned quality, excellent service and ease-of-use to a small business. The all-in-one desktop saves space, time, energy and initial investment costs, while enhancing the productivity and security of your growing business.

The ThinkCentre A70z All-in-One PC addresses your space-saving needs with an integrated LCD monitor and a CPU in a single unit, offering a small footprint (62 - mm thickness) and a wire-free design (wireless keyboard and mouse are optional) with only one power cable (on selected wireless models). Additionally, free up your workspace with the multiple mounting options (Monitor Stand, Wall Mount, or Desk Arm), giving you an advantage over the traditional desktop and making your workspace look elegant, neat and compact.

Now, installing your desktop is easy and fast, as the ThinkCentre A70z All-in-One PC offers a box to boot time of just 3 minutes. Its unique easy-access design makes accessing, servicing and upgrading the hard disk and memory a breeze. The ergonomically designed handle offers a never-before convenience of moving your PC, thus providing excellent portability.

Experience the latest cutting-edge technology featuring a Genuine Windows® 7 Home/Pro OS preload, an onboard DX10 graphics card and the Intel® G41 platform, supporting the 45nm CPUs for a superior performance.

The Energy Star® 5.0 compliant ThinkCentre A70z All-in-One PC is now greener and eco-friendly. The 19" wide LCD screen and the Lenovo Power Manager together make it green and help you save on electricity, thus increasing your returns on investment. As part of the green initiative, the All-in-One PC is offered in a reusable shopping bag with Reduced packaging equivalent to 250 Paper Cups & 139 Plastic Bags per box³.

In today's world, data security is of paramount concern for all businesses. Hence, the ThinkCentre A70z All-in-One PC offers data security with Online Backup and a Kensington lock for extra physical security.

The superior performance, latest technology, best security options, easy manageability, eco-friendliness and affordability coupled with Lenovo's excellent services, make the ThinkCentre A70z All-in-One PC an excellent choice for all SMBs.

LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7. FAST. SECURE. BUILT FOR BUSINESS.

Discover a better way of doing business with the new Lenovo Enhanced Experience for Windows® 7 on Think PCs. Faster, more durable and greener Think PCs are optimized for Windows® 7 to deliver improved ease of use. It enhances productivity and foolproof security that your business cannot do without.
