

HP Compaq 6200 Pro Desktop PC series

Solid performance and stability

Built around the latest business PC technologies for better performance with the managability and security you expect.

Windows®. Life without Walls™. HP recommends Windows 7.

Solid PC performance

Technology advancements

Designed for maximum performance throughout its life the HP Compaq 6200 Pro offers the right blend of features and capabilities required for businesses like yours. Enhancements to energy efficiency as well as processing and graphics performance help you get the job done. Integrated dual independent monitor support and wireless NIC options increase productivity and allow for a variety of deployments.; HP has designed this product with materials free of brominated flame retardants ¹ (BFRs) and polyvinyl chloride ¹ (PVC) to support your institutions environmental initiatives. Reduce your impact on the environment and help lower operating costs with ENERGY STAR® qualified models certified as EPEAT® Gold. Easily optimize the PC's power settings with HP exclusive Power Assistant ² application.

Built for business

The HP Compaq 6200 Pro Series is designed to help facilitate a more stable and manageable IT environment with programs and services such as a minimum of 12 months availability that allow for more efficient planning, deployment, and transition of PCs. Global Series models, onsite warranty service and HP's Product Change Notification program help make doing business easier. Upgrades and basic service are made simple and convenient with design principles learned over years of providing quality business PC designs.

Stability and manageability

Refined to include the stability and basic manageability features businesses require, the HP business PC BIOS helps maintain control over IT resources. The HP BIOS helps provide diagnostic and service information making upgrades easier and keeping lifecycle tracking at your fingertips. The integrated Trusted Platform Module (TPM) 1.2 compliant security chip, USB Port Disable, and HP Business PC Security Locks³ offer the essential security you can depend on to help protect your business hardware and data.

¹ HP Business Desktop PCs are brominated flame retardant and polyvinyl chloride free (BFR/PVC-free)

meeting the evolving definition of "BFR/PVC-free" as set forth in the "iNEMI Position Statement on the 'Definition of Low-Halogen Electronics (BFR/CFR/PVC-Free).'" Plastic parts contain <1,000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and <1,000 ppm (0.1 percent) of chlorine (if the Cl source is from CFRs or PVC or PVC copolymers). All printed circuit board (PCB) and substrate laminates contain bromine/chlorine total <1,500 ppm (0.15 percent) with a maximum chlorine of 900 ppm (0.09 percent) and maximum bromine being 900 ppm (0.09 percent). Service parts after purchase may not be BFR/PVC-free. External power adapter, power cords, keyboard, mouse, and DVI-to-VGA adapter are not BFR/PVC free.

² HP Power Assistant may not be available in all regions. Use of this application is not required. Power calculations and cost calculations are estimates. Results will vary based on variables, which include information provided by the user, time PC is in different power states (on, standby, hibernate, off), time PC is on battery or AC, hardware configuration, variable electricity rates and utilities provider. HP advises customers to use information reported by HP Power Assistant for reference only and to validate impact in their environment. Environmental calculations were based on U.S. EPA eGrid 2007 data found at www.epa.gov/egrid/. Regional results will vary. Requires Microsoft Windows.

³ Options and accessories sold separately. Availability varies by country.

This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows7/> for details. Windows 7 Professional disk may be included for future upgrade if desired. To qualify for this downgrade an end user must be a business (including governmental or educational institutions) and is expected to order annually at least 25 customer systems with the same custom image.

Accessories and Services

HP Smart Card CCID
Keyboard

Boost your security, simplify access procedures and reduce the costs associated with managing networks by preventing unauthorized access to your computers and networks using smartcard technology with the HP Smart Card CCID Keyboard.

Product number: BV813AA

HP USB 2-Button Laser
Mouse

The HP USB Laser Mouse provides the speed and accuracy of laser tracking in a simple, elegant design. It records motion precisely on a variety of surfaces using the latest laser sensing technology.

Product number: GW405AA

NVIDIA NVS 300 PCIe
x16 512MB Graphics
Card

The NVIDIA NVS 300 PCIe Graphics Cards are low profile, dual-head graphics cards delivering next-generation multi-display capabilities to professional business and commercial applications.

Product number: BV456AA

HP 2-GB PC3-10600
(DDR3-1333 MHz) DIMM

Maximize your Business PC performance with HP Memory. Upgrading your memory is a cost-effective way to boost your system performance without having to upgrade your processor.

Product number: AT024AA

HP Thin USB Powered
Speakers

The HP Thin USB Powered Speakers produce a rich high quality sound that provides an excellent stereo speaker solution for business users.

Product number: KK912AA

HP Next Business Day
Onsite Response HW
Support

Offers a 3 year easy-to-purchase, easy-to-use next business day onsite repair service from an HP-qualified technician for your HP product

Product number: U6578E
