THE LENOVO® THINKCENTRE® EDGE 91z

SLEEK. STUNNING. EXHILARATING.

MORE SPACE SAVING AND A DESIGN THAT IS INCREDIBLY COMFORTABLE TO USE

MORE EFFICIENT – GET MORE DONE BY DRIVING PRODUCTIVITY AND BUSINESS INNOVATION

MORE DEPENDABLE PERFORMANCE AND LONG-LASTING IMPRESSION TO SUCCEED WITH STYLE

MORE POWERFUL ALL-IN-ONE WITH EXTRAORDINARY DESKTOP TECHNOLOGY AT A COMPETITIVE PRICE

The ThinkCentre® Edge 91z is a powerful all-in-one (AIO) desktop computer – a premium offering for small businesses and Edge AIO users. This stylish AIO represents the power of a professional grade PC, combined with the elegance in design of Lenovo's Edge series. We named the ThinkCentre Edge 91z the 'Do Machine' for small businesses – this amazing all-in-one does everything you want from a PC.

Sleek: The ThinkCentre Edge 91z has a VESA mount with multiple mounting options – fits wonderfully anywhere in your workplace. With its sleek and stylish design, the Edge 91z cuts the clutter and space that a traditional desktop demands, creating a pleasant workspace.

Stunning: With the ThinkCentre Edge 91z, small details make a big difference. The 21.5" HD LED Infinity Screen for smoother display, and view management utility for optimized multitasking, helps you drive efficiency more than ever before. With Wi-Fi connectivity and support for multiple active displays you get an AIO that exemplifies productivity and convenience.

Exhilarating: The ThinkCentre Edge 91z offers up to Intel® Core™ i7 low power processors for incredible speed while minimizing power consumption. Intel® HD Graphics offer extraordinary visuals, while the optional 1GB AMD Radeon HD6650A handles demanding applications with ease.

The ThinkCentre Edge 91z is designed for an arty office decor that reflects your vision of success and innovation in doing business. Makes your workspace look fashionable and modern, just the way you want your business to look.

LENOVO ENHANCED EXPERIENCE 2.0 FOR WINDOWS® 7. FASTER AND OPTIMIZED FOR BUSINESS.

Lenovo Enhanced Experience 2.0 for Windows® 7 uses RapidBoot technology to start your PC on average 20 seconds faster than a typical Windows® 7 computer*. And with superior web conferencing and robust security features, you'll benefit from increased productivity at the office. Find out more at www.lenovo.com/win7ee

*Compares averaged data from Lenovo EE 2.0 PCs with averaged data from 42 competitor products of similar configuration. Testing conducted by CNET Labs, Beijing in November 2010, using the independent Microsoft VTS tool to measure start-up, shutdown, resume and other Windows® 7 performance measurements. Data from competitor and Lenovo PCs were averaged and compared to calculate the claims used. Performance will vary by model and configuration.

Lenovo® recommends Windows® 7 Professional.

WHO DO.

BLAZING PERFORMANCE

For professionals, emerging entrepreneurs, small businesses, or students, the ThinkCentre® Edge 91z helps you do more with less and drive efficiency with:

- Up to Intel® Core i7 Quad Core low power CPUs for extensive processing
- The Full HD 21.5" Infinity Screen that delivers stunning visuals
- Optional 1GB AMD Radeon Discrete Graphics card for superior multimedia

EFFORTLESS INTEGRATION

The ThinkCentre® Edge 91z is a perfect fit for any work environment, giving you speed and productivity, without the hassle of tangled cables and cluttered desk space.

- The slim design of the Edge 91z saves desk space, with a spill-proof keyboard sliding easily underneath
- VESA Mount makes the AIO easy to mount on a wall, arm, or medial cart, giving you even more free space
- Removable feet can be used to prop up the screen, or can be detached for mounting

STUNNING SIMPLICITY

The ThinkCentre® Edge 91z has been designed to streamline your computing experience, making both using and setting up the AIO as easy as possible.

- Front facing buttons allow you to set display options easily – no reaching blindly behind the monitor to change display settings!
- The handle with a red rubber grip allows you to securely move the Edge 91z around as needed.
- Services and upgrades can be performed on-site, eliminating the need to shift the AIO out of office.

SERVICE OFFERINGS

THINKPLUS® SUPPORT

Warranty Service and Support:

- All ThinkCentre customers receive Lenovo's award winning Warranty Service and Support.
- You can upgrade your existing base warranty on your mobile and desktop systems, expand the term of your coverage and/or improve response time and level of service.
- This means you get coverage and features that you value most, with a fixed-term, fixed-cost service solution that fits your budget and allows you to accurately predict equipment expenses over the term of your coverage.

ThinkPlus Support:

- ThinkPlus Support provides a single source solution that can be incorporated into the program your Business Partner provides.
- The flexible portfolio of offerings is designed specifically for small and medium size businesses and gives you and your staff the peace of mind to focus on your business.

ThinkPlus Priority Support:

- Small business operations require priority attention to support needs and need fast, expert product support to keep you up and running.
- Lenovo's ThinkPlus Priority Support is an integrated product support solution that gives you and your staff direct access to the right level of technical support on the first call, making your priority our priority.
- By-pass basic troubleshooting and experience shorter hold times; reduced repair times and higher first time fix rates so that you and your staff can concentrate on mission-critical business activities.

THINKPLUS® PROTECTION

- **Lenovo Protection Services:** Lenovo Protection Services for ThinkCentre protects you and your business against hard drive failure.
- **Lenovo Hard Disk Drive Retention:** Lenovo Hard Disk Drive Retention allows you to retain your hard drive if it should happen to fail, instead of returning the damaged part to Lenovo, protecting valuable files and confidential information from falling into the wrong hands.
- To learn more about these and other available Lenovo Services, visit www.lenovo.com/services

POWERING PRODUCTIVITY

With the ThinkCentre® Edge 91z, performing multiple tasks is made simpler and more effective, plus you can:

- Make multitasking easier with multiple active displays
- Optimize your multitasking experience further with the View Management utility
- Use the ThinkCentre® Edge 91z either as a source or monitor with the HDMI Video Out (DID)/Video In

BREATHTAKING DESIGN

Lenovo's Edge series of PCs remain widely appreciated for elegant presentation. In keeping with design motifs of the series, the ThinkCentre® Edge 91z delivers in full. The ThinkCentre® Edge 91z is:

- A professional grade PC that fits any environment, whether store front or home office
- A brilliant replacement for the bulky tower PCs, with its sleek design and powerful performance
