THE LENOVO® THINKCENTRE® M92z ALL-IN-ONE DESKTOP

PERFORM BUSINESS WITH CONFIDENCE

The new Lenovo ThinkCentre M92z All-in-One (AIO) desktop simplifies your workspace management along with performance, features and reliability. Transform your business with uncompromised performance from Intel® Q77 chipset, 3rd generation Intel® Core™ processors and optional 1GB Discrete Graphics Card. Change the way you manage desktops and enterprise applications using the Intel® vPro™ ready technology.

The power of performance includes your most-wanted features. Collaborate using the new 23” IPS display with a wide viewing angle (178°) and anti-glare screen with enhanced touch. Communicate seamlessly with the best Microsoft® Lync™ qualified VoIP experience. Comfort and style are part of the experience, with the latest Communication Utility, optimized HD camera, dual-array microphone and Dolby® certified sound enhancement.

The tool-less chassis and multiple stand options make desktop management simple and easy. The ThinkCentre M92z operates cooler and quieter with the Intelligent Cooling Engine 2.0 (ICE 2) and is eco-friendly with the top-rated green certifications.

The ThinkCentre M92z delivers faster processing power, more energy savings, integrated manageability and security.

LENOVO ENHANCED EXPERIENCE 3 FOR WINDOWS® 7.
FASTER AND OPTIMIZED FOR BUSINESS.

Fast and optimized for multimedia: Lenovo Enhanced Experience 3 for Windows® 7 uses RapidBoot technology to start your PC 40% faster than a typical Windows® 7 computer*. And BootShield maintains fast boot performance even after installing multiple applications. Plus, you can enjoy richer sound and HD webcams. Find out more at www.lenovo.com/win7ee

*Available on certified models with Intel® Core™ i3, i5 or i7 processors. Claim is calculated by taking the average of Lenovo EE3 notebooks and desktops and comparing it with averaged data from 49 competitor products of similar configuration (Intel® Core™ i3, i5 and i7 PCs only). Testing conducted by INET Labs, Beijing in December 2011, using the independent VTS tool to measure start-up time and other performance measurements. Performance will vary by model and configuration.
Lenovo® recommends Windows® 7 Professional.

PREMIUM PERFORMANCE, MANAGEABILITY AND SECURITY

- Uncompromised performance Intel® Q77 chipset and 3rd generation Intel® Core™ processors
- Maximized security and manageability capabilities with integrated Intel® vPro™ technology
- Enterprise cloud management via browser with Intel® vPro™ technology
- Enhanced data protection with TPM security chip platform integrity, disk encryption and password protection

LEADING GREEN CERTIFICATIONS

- Lenovo’s first Cisco EnergyWise compatible AIO to monitor and manage power usage
- First-ever TUV Green Mark Certified AIO to minimize environmental impact
- First UL Environment Gold Certified AIO for green sustainability
- TCO Certified Edge qualified with minimum use of recycled post-consumer plastic
- ENERGY STAR® 5.2 certified for superior energy management
- EUP 2013 compatible for less energy consumption – 1W when idle

COOL, QUIET AND EASY TO MANAGE

- Intelligent Cooling Engine 2.0 (ICE 2) variable cooling enables the AIO to run cooler and quieter
- The tool-less chassis provides easy expandability to add more memory or larger hard drive storage capacity
- Multiple stand options make the AIO easy to use

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkCentre investment. Succeed with substance and let Lenovo’s Service support you all the way.

- **Priority Technical Support**
  - Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and escalation management services.

- **Warranty Upgrades – Onsite and Next Business Day**
  - Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

- **Warranty Extensions (1 to 5 Years Total Duration)**
  - This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

- **Keep Your Drive**
  - Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

- **Asset Tagging**
  - Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

---

8 Special bid only
9 The term “10/100/1000” or “Gigabit” Ethernet indicates compliance with IEEE standard 802.3ab for Gigabit Ethernet and does not connote actual operating speed of 1 GB/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
