Haier's value HDTV line offers what you care about most: a sharp, clear picture, and rock-solid reliability. Giving customers added value, this line also features multiple high-definition inputs for connecting a variety of high-definition devices, like a cable or satellite box, Blu-ray player, or HD video game console. With the built-in tuner, consumers can enjoy free local over-the-air broadcasts, including their favorite primetime shows in HD, simply by connecting an antenna.
