

NN-SD377S
 Counter Top Microwave Oven

Asian Citrus Beef

Auto Cook and Reheat

The one-touch buttons adjust power levels and calculates cooking and reheating times **automatically** for various food types.

Pop-Out Dial

With a spin of the dial, the easy-to-use pop-out dial is a departure from the standard keypad found on most microwave ovens

Quick Minute Feature

The one-touch button allows you to **automatically** set the time in increments of 1 minute.

Auto Defrost

With a push of the button this feature makes it easy to defrost foods fast.

Elegant Design with Reflective Door/ Push-Button Door Release

Elegant, attractive and easy-to-open, the microwave will look its best even when preparing some of the messiest recipes.

Control Panel

With one touch of a single key or button this control panel combination makes it possible to operate the microwave oven easily.
