## THREE HUNDRED TWO GAMING SERIES

ENCLOSURES

The team that brought you the Three Hundred is back with an enclosure designed to handle today and tomorrow's high-performance systems. Introducing the Three Hundred Two, the next standard in affordable gaming cases. Our newest chassis is built for gamers from the inside-out, from its aggressive front bezel, to its advanced cooling system. With tool-less 5.25" & 3.5" drive bays, a large cable management compartment and two front panel USB 3.0 ports with an internal connector, the Three Hundred Two is the rightful heir to the Gaming Series legacy.
