BP550 Plus

Product Name	BP550 Plus
Replaces	
Street Price	\$89.95
Certifications/Safety	RoHS, FCC Class B.
Product Warranty	1 year
Unit Dimensions	3.4"(H) x 5.9"(W) x 6.1"(D) 8.6cm(H) x 15cm(W) x 15.5cm(D)
Unit UPC	0761345-23502-0
Packaging Type	Retail box
Packaging Dimensions	11.6" (L) x 7.8" (D) x 1.5" (H) 29.5cm (L) x 19.8cm (D) x 3.8cm (H)
Net Weight	4.4 lbs / 2.0 kg
Gross Weight (packaged)	0.8 lbs / 0.4 kg

25-CHARACTER DESCRIPTION:

Reliable entry-level PSU

50-WORD DESCRIPTION:

The ideal choice in high-quality value-priced power supplies, now with advanced cable management! The Basic 550 Plus is the perfect power supply for the entry-level user, providing stable power, quiet cooling, and advanced cable management for improved airflow and ease-of-use.

100-WORD DESCRIPTION:

The ideal choice in high-quality value-priced power supplies, now with advanced cable management! The Basic 550 Plus is the perfect power supply for the entry-level user, providing stable power, quiet cooling, and advanced cable management for improved airflow and ease-of-use. The Basic 550 Plus boasts a quiet-running 120mm fan to keep cool while creating minimal noise, and safety protection circuitry to prevent damage from short circuits, over currents, power overloads, and other voltage dangers. The Basic 550 Plus features advanced cable management and modular cables, enabling users to utilize only the cables they need and ensuring optimal airflow.

150-WORD DESCRIPTION:

The ideal choice in high-quality value-priced power supplies, now with advanced cable management! The Basic 550 Plus is the perfect power supply for the entry-level user, providing stable power, quiet cooling, and advanced cable management for improved airflow and ease-of-use. For maximum stability, the Basic 550 Plus utilizes three 12V rails. The Basic 550 Plus boasts a quiet-running 120mm fan to keep cool while creating minimal noise, and safety protection circuitry to prevent damage from short circuits, over currents, power overloads, and other voltage dangers. In addition, the Basic 550 Plus features Universal Input with Active PFC to work effortlessly and efficiently on any power grid on the planet. The Basic 550 Plus also offers advanced cable management so users can use only the cables they need, improving airflow and convenience. Reliable, cool and quiet, the Basic 550 Plus offers an incredible value.
