NINE HUNDRED TWO V3
GAMING SERIES

ENCLOSURES

The Ultimate Gaming Case, Evolved

The best-selling Antec Nine Hundred offers gamers an unbeatable enclosure, one that delivers a combination of cooling, performance and convenience and stands head and shoulders above the competition. The Nine Hundred Two V3 builds on this design, adding a CPU cutout, internal bottom-mounted 2.5" SSD drive bay and front USB 3.0 port. We know your gaming hardware produces a lot of heat, so we've built this case for maximum cooling, with a perforated front bezel, three 120 mm fans with mounts for even more fans and a monster top-mounted 200 mm fan. Be the envy of everyone at your next LAN party with the Antec Nine Hundred Two V3.
