EA-650 Green

Product Name	EA-650 Green
Replaces	N/A
MSRP	\$99.95
Certifications/Safety	cUL, FCC, TÜV, CE, CB, C-tick, CCC, BSMI, Gost-R, KCC
Product Warranty	3 years
Unit Dimensions	3.4"(H) x 5.9"(W) x 5.5"(D) 86 mm (H) x 150 mm (W) x 155 mm (D)
Unit UPC	0761345-27654-2
Packaging Type	Retail Box
Packaging Dimensions	8.3" (H) x 9.0" (W) x 4.5" (D) 211 mm (H) x 229 mm (W) x 114 mm (D)
Net Weight	4.5 lbs / 2.0 kg
Gross Weight (packaged)	5.3 lbs / 2.4 kg

25-CHARACTER DESCRIPTION:

Eco-friendly, Efficient PSU

50-WORD DESCRIPTION:

Get more power and lower your electric bill with the new EarthWatts EA-650 Green! One of the most environmentally-friendly power supplies available, the EA-650 Green delivers 650 Watts of reliable Continuous Power while meeting the Bronze level of performance from 80 PLUS®, the most widely recognized independent standard in power supply efficiency.

100-WORD DESCRIPTION:

Get more power and lower your electric bill with the new EarthWatts EA-650 Green! One of the most environmentally-friendly power supplies available, the EA-650 Green delivers 650 watts of reliable Continuous Power while meeting the Bronze level of performance from 80 PLUS®, the most widely recognized independent standard in power supply efficiency. On top of that, this EarthWatts power supply offers Universal Input to automatically work on any power grid in the world, and a 120 mm double ball bearing fan to keep cool. Get the power you need, save money and help protect the environment with Antec's EA-650 Green!

150-WORD DESCRIPTION:

Get the power you need and the lower electric bill you want with the Earthwatts EA-650 Green! One of the most environmentally friendly power supplies available, the EA-650 Green delivers 650 watts of reliable Continuous Power while meeting the Bronze level of performance from 80 PLUS®, the most widely recognized independent standard in power supply efficiency. Two +12V output circuits provide added system stability, and a full suite of industrial-grade protection circuitry prevents damage resulting from over current, over voltage, short circuits and power overloads. On top of that, the EA-650 Green offers Universal Input to automatically connect with any power grid in the world, a quiet 120 mm double ball bearing fan to keep your system running cool and an Antec Quality 3 year parts and labor warranty. "Go green" with Antec's EA-650 Green: an efficient, cost-effective power supply solution that lets you power your equipment, save money and protect the environment.
