

# Height-Adjustable Gooseneck Floor Stand

for iPad® 2nd-4th Generation

PAD-AFS

Fully extended stand

Securely holds iPad

Vertical or Horizontal viewing

Gooseneck bends in any position

Comfortably use your iPad in your home or office space and adjust it to any viewing angle, orientation or position you may desire with CTA Digital's Universal Height-Adjustable Gooseneck Floor Stand for iPad. Perfect for the living room, bedroom or workstation; this height-adjustable stand is lightweight and flexible, so it can easily be moved and set up anywhere to enjoy apps, videos and everything you need from your tablet. Whether you're standing, reading notes or music, preparing for a performance or giving a presentation; laying down watching a favorite movie; sitting, working on a project, browsing or playing a game, you'll find comfort and convenience using your iPad with this adjustable floor stand. Featuring solid ABS and steel construction with a 15" bendable metal gooseneck, this stand offers sturdy support and multi-directional adjustment. The secure holder is specially designed for the iPad (2nd-4th generation) and can rotate 360° to switch between landscape and portrait orientations and can also pivot to adjust the viewing angle. So conveniently place your tablet anywhere at home or work and enjoy the extra comfort with CTA Digital's Universal Height-Adjustable Gooseneck Floor Stand for iPad.
