CyberPower designs and manufactures the most comprehensive line of mobile charging devices. 2.1 Amp quick charging technology, with USB and/or DC outlets allows you to charge your mobile devices anytime, anywhere!

CyberPower car chargers are designed with careful consideration for mobility, durability, accessibility, and ease-of-use. The compact device converts 12V battery power to charge your devices.

The car charger is the perfect solution for powering mobile electronics anywhere a 12V power source is available. The quick charging technology maximizes charging potential for digital tablets, phone, MP3 players and other mobile devices, ensure the fastest charge possibility. The DC power outlet is perfect Use with portable GPS units or other DC powered devices. Now you can power your cell phones, PDAs, video game consoles, portable DVD players, and digital cameras on the road!

Features & Benefits:

- Travel USB Chargers.
- 2.1 Amp Quick Charge Technology.
- Compact Design.
- Compatibility with tablets (iPad), smart phones (iPhone, Blackberry, Android) and more!

Main specifications:

Performance

Charger type:	Auto
Charger compatibility:	Mobile phone, MP3, MP4, PDA, Tablet
Power source type:	Cigar lighter
USB 2.0 ports quantity:	2
Power protection features:	Overheating, Overload
Connectivity technology:	Contact

Design

Colour of product:	Black
--------------------	-------

Power

Input voltage:	12 V
Output voltage:	5 V
Output current:	2100 mA
Energy Star certified:	N
Maximum power:	10.5 W
Power supply:	10.5 W

Weight & dimensions

Weight: 55 g

Other features

Built-in battery: N

Overheat protection: Y
