This kit places a wireless scanner conveniently alongside your monitor screen. The bracket easily attaches to a mount's VESA hole pattern, while the shelf includes a universal interface for attaching a scanner base.

- Adds a scanner shelf on either side of a monitor that is 17" to 24" in size.
- Cable management feature routes the power cord for the scanner base.
- Does not interfere with movement of monitor screen.
- Simple attachment via standard VESA interface.
