

## Compaq Mini 102 Mini Assistant

Work in more places with the Compaq Mini 102, an affordable, full-function companion PC.

Windows<sup>®</sup>. Life without Walls<sup>™</sup>. HP recommends Windows 7.

---

### Technology with good looks

The affordable, small and stylish Compaq Mini 102 packs a rich mobile internet<sup>1</sup> experience, and empowers mobile professionals and students to get more accomplished. Starting at only 2.35 lb/1.07 kg, with the optional solid state flash module,<sup>4</sup> and 2.57 lb/1.17 kg for the standard 2.5-inch hard drive, you can simply grab your companion PC and you're ready for business on-the-go.

With a 10.1-inch diagonal LED-backlit WSVGA display, – your digital media will look even better. The HP Mini's LED display helps improve battery life for more productive time on-the-go and is mercury free, lowering its environmental footprint.

### Enjoy wireless in more places

The Compaq Mini 102 helps you connect in more places by offering optional Wi-Fi Certified WLAN<sup>1,4</sup> and optional

WWAN.<sup>4,6</sup> Receive and send emails, conduct online research and instant message in more places.

### Flexible battery solutions

The Compaq Mini 102 offers two optional<sup>4</sup> battery solutions for lightest weight configurations or extended computing. Choose from the 3-cell or 6-cell battery<sup>4,8</sup> options to maximize your business mobility.

### Video capture on the go

Experience video, still-image capture, web conferencing, or video-enhanced instant messaging with no additional hardware to buy or carry. The integrated VGA webcam, analog microphone and stereo speakers enable both video and still-image capture so you can add photos and video clips to presentations, documents and e-mail.<sup>5</sup> How's that for a powerful media experience in a mini PC?
