print scan copy

Easily print from your smartphone or tablet, at home or on-the-go[1].

Printer dimensions: 17.52"w x 4.72"h x 13.15"d

For purchasing information, see the side of the box.
*Not actual size of printer box.

Home **Good**

[1] Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

[1] Savings does not apply for Officejet Pro printers used in the $2.99 plan. Savings based on HP Instant Ink service plan price for 12 months and use of all pages in plan without purchase of additional sets of pages compared to estimated street price of Original HP standard-size ink cartridges and published yield printing ISO/IEC 24711 pages. ISO pages are a mix of text and graphics, color and black, 8.5x11 pages that meet ISO testing guidelines. Actual savings may vary depending on number of pages printed per month, print resolution, type and size of pages printed, plan and printer platform. For more information on ISO standards: hp.com/go/pageyield.
