

HP Pavilion 23tm Touch Monitor

Looks good. Feels good.

A bigger screen. More pixels. Navigation by touch. Get immersed in a stunning, fully reclining touchscreen experience that has you making the most out of your PC. It's about getting closer to your world so you can view your life in vivid detail—and have it all at your fingertips.

Tap into fun.

Add intuitive navigation to your PC experience. This large, Windows 8-certified touchscreen monitor is designed so you can tap, slide, and swipe your way to more games, videos, and photos—basically, more fun.¹

What's your angle?

Whatever you're doing—playing, collaborating or working—the screen's deep, easy-to-adjust 70-degree recline means you can do it comfortably.

Watch the way you want to: Leave it on the stand, or attach it to your favorite VESA swivel arm or wall mount.² Flexibility, indeed.

Bring on family movie night.

Thanks to an HD³ screen, front-facing speaker, and 178-degree viewing angles, it's a crisp, clear monitor you can see—and hear—from almost anywhere in the room.

More ways to connect. More ways to watch.

Whether you want HD³ gaming, big-screen sharing from small-screen devices, or crystal-clear visibility for everyday computing, one thing's for sure, with DVI and HDMI inputs, you have more ways to connect with your source.

Details, details, details.

Full HD³ resolution, a 23-inch diagonal screen, and 10M:1 dynamic contrast ratio bring your digital world to life with precise detail. Think stunning, fluid, and incredibly crisp graphics that jump right off the screen.

Control your environmental impact.

Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR® qualified and EPEAT® Silver registered.⁴ The monitor also includes mercury-free display backlights and has a low halogen design.⁵

Global reassurance.

Rest assured that your IT investment is supported by a one- or three-year standard limited warranty (varies by region).
