2. Run the program and set the share folder you want.

**SmartShare PC software Installation**

1. Download SmartShare PC software on the support tab and install it.
2. Run the program, and set the share folder you want.

**SmartShare Network Playback**

1. Check the network connection and settings.
**Safety Information**

**IMPORTANT SAFETY INSTRUCTIONS**

1. **General Warnings**
   - Check the network connection and settings.
   - **RISK OF ELECTRIC SHOCK.** DO NOT Open.
   - **CAUTION:** TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

2. **Power Source**
   - **WARNING:** Do not install or operate this equipment until you have read and understood all the accompanying information and instructions.

3. **Ventilation**
   - Slots and openings in the cabinet are provided for ventilation and to ensure reliable operation of the product and to protect it from overheating. The openings shall be never be blocked by placing the product on a bed, sofa, rug or other similar surface. This product, which employs a laser system, must not be opened or serviced by the user.

4. **Wiring**
   - In order to avoid electrical shock hazard, remove all power sources (such as power-supply cord or plug) from the apparatus before moving the cart/apparatus combination.

5. **Water and Moisture**
   - **WARNING:** Do not use this product near water or moisture. For example: Near a bathtub, washbowl, kitchen sink, or laundry tub; in a wet basement; or near a swimming pool.

6. **Grounding**
   - **CAUTION:** For your protection, this product must be properly grounded. If it should malfunction or breakdown, grounding provides a path of least resistance for electric current to flow, reducing the risk of electric shock. This product is equipped with a cord having a grounding plug. This plug must be unplugged by grasping the plug, not the cord. The plug must be plugged into a proper, separately grounded, electrical outlet that is installed and grounded in accordance with all local codes and ordinances. The grounded-type plug has two blades with one wider than the other and a third prong for grounding. The wider blade or the third prong are provided for your safety. If the plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.

7. **Lighting**
   - **WARNING:** To prevent fire or shock hazard, do not expose this equipment to rain or moisture. For example: Do not install near water or moisture, such as near a bathtub, washbowl, kitchen sink, or laundry tub; in a wet basement; or near a swimming pool.

8. **Temperature**
   - **WARNING:** This equipment is not suitable for use in potentially explosive atmospheres with gases or dust.

9. **Heating**
   - **WARNING:** This equipment shall be located away from heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.

10. **Dust**
    - **WARNING:** To prevent fire or shock hazard, keep this equipment away from dust. Do not cover this equipment with newspapers, tablecloths, or other similar materials.

11. **Shock**
    - **WARNING:** Do not insert objects of any kind into this product through the cabinet slots as they may touch dangerous voltage points or short circuit parts that could result in a fire or electric shock. Do not place any containers filled with liquids, such as vases, on this product.

12. **Excessive Heat**
    - **WARNING:** This equipment shall be operated only from the type of power source indicated on the marking label. If you are not sure of the type of power supplied to your location, consult your local power company or service agency.

13. **Plastics**
    - **WARNING:** Invisible laser radiation when open and interlock failed or defeated. Do not stare into beam. Interlock is not operational during service procedures. Be sure interlock is functional when not in use. This equipment employs a laser system and should not be adjusted or serviced by the user.

14. **Cables**
    - **WARNING:** Only use attachments and accessories specified by the manufacturer. Use of unauthorized attachments or accessories may result in fire, shock, or other hazards. The laser system employs Class 1 lasers. The laser system is not classified as a laser product.
