

Logitech®

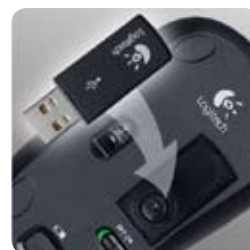

Wireless Combo MK320

Comfortable keyboard, carry-around mouse

- Logitech® Advanced 2.4 GHz wireless connectivity
- Sculpted, easy-to-carry mouse with snap-on receiver
- Long-lasting battery life
- Instant-access hot keys
- Full-size keyboard

The Logitech® Wireless Combo MK320 comes with a comfortable keyboard and a carry-around mouse. Long-range 2.4 GHz wireless gives you a reliable connection and 128-bit AES encryption for the keyboard. You can use the wireless mouse with your setup at home, or when you want to move around with your laptop. Just snap the receiver on your mouse – and go. The long-lasting battery life gives you up to 15 months for the keyboard and up to five months for the mouse*. Instant-access hot keys make it easy to watch videos, listen to music or launch your favourite applications. And it's all plug and play. There's no software installation required.

* Battery life may vary based on user and computing conditions.
