

Wind Top AE2020-098US

- Intel® Pentium Dual Core T4500 Processor
- Genuine Windows® 7 Home Premium 64-bit
- 20" 1600 x 900 widescreen
- Multi Touch
- 3GB DDR2 system memory
- 320 Gigabyte hard drive stores up to 70,000 songs or 56,000 photos
- SuperMulti DVD burner
- NVIDIA GeForce 9300 with 256MB shared graphics memory

Windows®. Life without Walls™.
MSI recommends Windows 7.

The Wind Top AE2020, MSI's latest generation multi-touch all-in-one PC, features Microsoft's newest generation operating system, Windows 7 and the latest NVIDIA ION graphics card technology. Its leather inlay design creates a classic and sleek exterior housing a multi-touch screen, allowing for a more hands-on and fun multimedia experience.

Multi-touch, 16:9 widescreen display

The Wind Top AE2020 comes with a 20" 16:9 aspect ratio widescreen theater display and leads the industry in multi-touch displays, creating a whole new computing experience that's even more responsive and unhindered.

Classic Leather Inlay Design

A uni-body exterior construction with stylish molding and inlaid leather design reveals a distinctive taste, which facilitates the shift from a rigid PC to a fashionable accessory at your side; it makes for an elegant and exceptional addition, in both the work place and at home.

The Unparalleled Power of the NVIDIA ION Platform

With its big 20" screen, the AE2020 puts the focus on multimedia entertainment. Based on the Intel® Mobile Pentium Dual Core processor paired with the top-rated NVIDIA ION graphics processor, the AE2020 can easily handle resource-hungry applications and popular 3D games, achieving a perfect balance of performance and reduced power consumption. NVIDIA ION delivers up to 5x faster graphics performance than integrated graphics, to deliver full HD video (including 1080p), support for many popular PC games, and accelerated media conversion and video enhancement.

SRS High-end Surround Sound Audio

In any kind of listening environment, SRS Premium Sound® provides theater level clarity. SRS TruSurround HD® needs only two speakers to provide diverse and abundant aural experiences during audio, video, and gaming applications.

Supports HDMI Video & Image Inputs

High resolution HDMI video & image inputs let's you use the AE2020's widescreen display to play brilliant video & audio anytime.

MSI's exclusive Wind Touch 3D User Interface (UI) and software includes the four major functions "Work", "Play", "Tools", and "Internet" that integrate commonly used application software and MSI's exclusively developed, diverse software.

Built-in 1.3 MP Webcam

A built-in 1.3 MP webcam and uni-body external design creates a feeling of clean technology and fashionable elegance.

The Most Inclusive Expanded Interface

The AE2020 delivers robust application interfaces, including support for a 6-in-1 card reader and up to 6 USB 2.0 connection ports to AE2020 to external devices. The DVD Super Multi not only easily plays DVDs; it's also capable of easily burning important data for backup storage.

Intel Pentium T4500 Dual-Core Processor

The AE2020 is powered by the newest Intel Pentium T4500 Dual-Core Processor(2.3GHz) high performance processor. Capable of shocking performance at full speed, the latest heat dissipating technology allows this processor to go a step further in lowering power consumption and increasing temperature reduction.

Even More Environmentally Friendly & Ultra Quiet

The AE2020 uses the latest cooling technology, so whether you're on standby or running at full power, noise levels will never exceed 32 decibels so you have the most comfortable computing environment. Also, the AE2020 conforms to the Energy Star 5.0 Standard to offer a product that combines the most current environmental standards into its design.
