The cost-effective mono printing solution for your business needs

The OKI B4100: Simply the best value in its class —backed by the best support in the industry!

If you're looking to improve the productivity and lower the operating costs of your business, the B4100 Digital Mono printer from OKI® is made for you. It's built for speed and efficiency.

A low purchase price and fast printing speed make the stand-alone B4100 the perfect dedicated Windows® printer for busy, budget-minded at-home executives. Its compact footprint lets it fit right into space-challenged dorm rooms. And its legendarily rugged OKI reliability and fully enclosed Letter/Legal/Universal paper tray makes the B4100 the ideal choice for demanding retail and back-office applications.

The B4100 delivers black & white documents as fast as 19 pages per minute.[1] That's crisp and clear output with 1200 x 600 dpi resolution—using a two-piece consumables system for long-lasting, high-quality performance and a lower cost of operation. For fewer user interventions, the B4100 has a 250-sheet standard paper capacity.

In terms of durability, the OKI B4100 has a duty cycle rated at 15,000 pages per month, which translates into 750 printed pages per day, based on 20 work days per month.

Fit for any work environment. With its standard USB interface, the B4100 offers connectivity with virtually all Windows-based computers. It performs equally well in environments using Windows XP, 2000 and 98 operating systems.

Backed by unmatched support. OKI is so confident in the reliable performance of the B4100 that we provide an industry-leading 5-year limited printhead warranty and a 1-year limited printer warranty, with Overnight Exchange and optional warranty coverage extensions.[3]

Of course, if you need technical assistance, you can speak to a live expert—24x7x365—by calling 800-OKI-DATA (800-654-3282).[3]

The B4100 Digital Mono printer from OKI: designed to save space and time—and to meet your printing demands in black & white.
