

## GEFORCE® GTX 760 2GB OC

## VCGGTX7602XPB-OC

### BORN TO PERFORM

GeForce® GTX 760 XLR8 by PNY is the new graphics card of choice for gamers—a powerful graphics card that gives you the fast, smooth, quiet gaming you're looking for in all your favorite titles. It's packed with next-gen features like NVIDIA GeForce Experience™ and GPU Boost 2.0 that let you crank up the settings in today's most graphics-intensive games.

Take hyper-realistic gameplay to a whole new level with NVIDIA GPU Boost 2.0 for max clock speeds, PhysX® and TXAA™ for great graphics, and NVIDIA® SHIELD™ compatibility for incredible portable gaming. Plus, instantly access the latest game-ready drivers automatically—the day a game launches—and optimize settings with one click using GeForce Experience™. Even auto-record all your greatest gaming moments with NVIDIA ShadowPlay.
