**98.71 €**

\* VAT included

This 4 Bay SATA Mobile Rack lets you swap between 3.5in Serial ATA (SATA, SATA II, SATA III-6Gbps) hard drives in seconds.

A time saving storage solution, the mobile rack offers four trayless SATA hard drive bays, allowing you to hot swap Serial ATA hard drives but avoid having to mount the drives to trays for deployment or unfasten them for replacement.

To maximize performance and utilize the full speed potential of your SATA III hard drives, this HDD Backplane supports SATA III for transfer speeds up to 6 Gbps when paired with a compatible controller.

Supporting up to four hard drives, the mobile SATA hot swap rack only takes up three 5.25in drive bays inside a host computer - maximizing space-efficiency within the computer. The mobile rack/backplane is fully compatible with RAID installations to ensure maximum performance and versatility for enhanced storage applications.

Using Terabyte hard drives? Don't expose your Hard Drive and valuable data to unnecessary heat! The HSB430SATBK has two built-in 40mm fans that re-distribute the heat build-up generated as a result of typical drive operation. This feature is especially important for larger volume storage drives, and faster "spinning" drives (i.e 7200 RPM), as it can help optimize drive operability and in turn preserve stored data integrity.

#### The StarTech.com Advantage

- Quickly and easily install or remove hard drives without having to open the chassis with the innovative trayless design
- Rubber shock absorbers, a solid aluminum construction and 10,000+ insertion rating ensures longevity from both the drives and bay
- Maximize performance, with file transfer speeds up to 6Gbps when paired with SATA III HDD and controller

#### Main specifications:

##### Technical details

Type:	Bezel
Size:	5.25 "
Number of hard drives supported:	4
Hard drive size:	3.5 "
Hard drive interface:	Serial ATA,Serial ATA II,Serial ATA III
Number of fans:	2
Fan diameter:	40 mm
Data transfer rate:	6 Gbit/s
Operating temperature (T-T):	0 - 50 °C
LED indicators:	Activity,Power
Colour of product:	Black
Material:	Aluminium,Plastic

Certification: CE, FCC  
RoHS compliance: Y

**Weight & dimensions**

Width: 146 mm  
Depth: 194 mm  
Height: 127 mm  
Weight: 1400 g

**Packaging data**

Package dimensions (WxDxH): 182 x 270 x 218 mm  
Package weight: 2100 g

**Packaging content**

Cables included: SATA  
Screws included: Y  
Manual: Y
